BEHAVIOURAL EXPECTATIONS

Epping Views Primary School acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture.

We acknowledge a shared responsibility to create a positive learning environment for the children and young people at our school.

Shared expectations of staff, parents, carers and students to support positive student behaviour are set out in the Respectful, safe, engaged: shared expectations to support student behaviour statement.

Students are also supported by school staff to meet expected standards of behaviour as outlined in our Student Wellbeing and Engagement Policy, Inclusion and Diversity Policy, and Bullying Prevention Policy.

Staff must follow our school and department policies and the Victorian Public Service Code of Conduct and Values. Teaching staff also adhere to the Victorian Teaching Profession's Code of Conduct.

Parents and carers play a vital role in helping their child understand and meet shared behaviour expectations. Additionally, information about the expectations of parents and carers to ensure schools remain respectful and inclusive places is outlined in the department's Respectful Behaviours within the School Community Policy, and our Respect for School Staff Policy. Schools can share these expectations through use of posters available in over 30 translated languages.
